Maritimo
AUSTRALIA

THE SPORTY AUSTRALIAN WITH A EUROPEAN ACCENT.

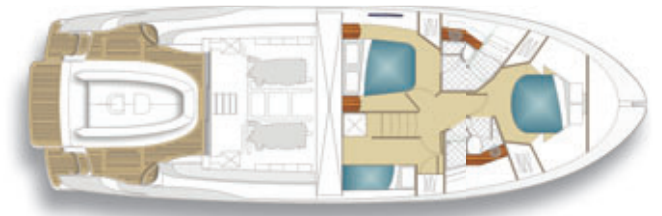

The new C50 Sports Cabriolet is hand crafted for Australia's love of sun, sea and fun. And its stylish appearance would look very much at home in any of the glamorous European ports along the Mediterranean coast. From the electronic sliding glass sun-roof right down to the hydraulic transom garage door near the waterline – the C50 is also brimming with innovation.

At sea, the C50 powers effortlessly to a cruising speed of 25 knots. Yet all this power requires remarkably little fuel. Designed with an advanced variable deadrise hull, engines and fuel tanks over the centre of buoyancy, and a miniscule shaft angle of just 9 degrees, the C50 has incomparable poise and balance - and is more economical as a result.

And to ensure you enjoy the ride, the new C50's climate-controlled interior provides every luxury, whether you're partying in the saloon or relaxing in the three-cabin, two-bathroom sanctuary below. Outdoors, a sleek hardtop extends over the cockpit to create the perfect spot for al fresco entertaining, while Maritimo's trademark walk around decks provide secure, easy access to a foredeck sun lounge built for two. There's even a shower on the transom for rinsing off after a dip.

The luxurious new Maritimo C50 Sports Cabriolet. It truly is oceans apart.
